G. MAINTENANCE FUND.

1. All of the residential lots in EL LAGO ADDITION, Section 4 are hereby subjected to an annual maintenance charge at the rate of one mill per square foot, providing the lot is vacant, and at the rate of three mills per square foot, providing a residence has been completed upon the lot, for the purpose of creating a fund to be known as EL LAGO ADDITION, Section 4 Maintenance Fund, to be paid by each and every residential lot owner annually in advance, on the first day of January of each year, beginning January 1, 1965, except that the foregoing charge shall not apply to Taylor Shores Development Company, its successors or assigns, and while owned by said corporation no lot shall be subject to such charge.

2. Said maintenance charge hereby imposed shall be secured by a vendor's lien which is hereby expressly created and retained upon each and every lot in said addition which is subject to these restrictions and shall be paid by each and every lot owner annually as above stated to EL LAGO COMMITTEE, the custodian and administrator of such maintenance fund, and said vendor's lien is hereby transferred and assigned to said EL LAGO COMMITTEE, such charges being payable to said committee in Harris County, Texas, at such address as it may at any time and from time to time designate. However, the lien herein created for the maintenance charge is subordinate and inferior to the lien held by Stewart Trust Company, or any holder thereof or to any renewal or extension thereof.

3. Said EL LAGO COMMITTEE shall have authority to adjust said maintenance charge from year to year as it may deem proper, but in no event shall such charge be more than three (3) mills per square foot per annum.

4. All funds collected from said charge shall be applied so far as is sufficient toward the payment of construction costs or maintenance expenses for any or all of the following purposes: safety and/or health projects; beautification and/or other aesthetic purposes; lighting, improving and maintaining the streets and other public areas; collecting and disposing of garbage, trash, rubbish and the like; employing policemen and/or watchmen; caring for vacant lots; providing and maintaining piers, boat landings, club house facilities and other recreational facilities on said recreational areas above referred to; and doing any other thing which said EL LAGO COMMITTEE may consider to be of general benefit or useful to the owners and/or occupants of lots in this addition; it being understood that the judgment of said committee when exercised in good faith in the expenditure of said funds shall be final and conclusive.

The El Lago Committee shall be obligated to pool, merge or combine funds so collected from Sections 3 and 4 into a single maintenance fund, but it has the right only and not the obligation to merge, pool and combine the funds collected in Sections 3 and 4 with other sections of EL LAGO ADDITION. Such maintenance charge and liens securing the same shall remain in effect and shall be collectable until January 15, 1981, and shall be extended automatically for successive periods of ten (10) years, unless prior to the commencement of any extended ten-year term the then owners of the majority of the square foot area of the lots or property subject to such charge, elect to discontinue such charge, which election shall be evidenced by a written instrument signed and acknowledged by such majority owners and filed for record in the office of the County Clerk of Harris County, Texas.

7. El Lago Committee shall have the right, but shall never be obligated, to render inferior and subordinate the aforesaid vendor's lien securing said maintenance charge as to any lot or lots subject to such charge, to other liens which the owner or purchaser of any such lot may desire to place thereon to finance construction or improvements on or the purchase of any such lot or lots.
